ANNUAL COMPLIANCE REVIEW, 2012

Docket No. ACR2012

UNITED STATES POSTAL SERVICE NOTICE OF FILING OF
REVISIONS TO FY 2012 ANNUAL COMPLIANCE REPORT – ERRATA
(January 17, 2013)

The United States Postal Service is today filing revised versions of certain materials appended to the Fiscal Year 2012 Annual Compliance Report (ACR), filed on December 28, 2012. Specifically, the Postal Service is filing revised versions of folders USPS-FY12-1 (FY 2012 Public Cost and Revenue Analysis Report), USPS-FY12-NP2 (FY 2012 International Cost and Revenue Analysis Report), and USPS-FY12-NP11 (FY 2012 Nonpublic Cost and Revenue Analysis Report).

There are three revisions to USPS-FY12-NP2, as described below. USPS-FY12-1 and USPS-FY12-NP11 contain only conforming revisions, specifically to the lines that list information from USPS-FY12-NP2.

- (1) In the file “Reports (Booked).xls”, a portion of the domestic transportation costs for Expedited Parcels were calculated on a per piece basis, whereas they should have been calculated on a per kilogram basis. That error has been corrected, resulting in the additional costs shown in the file. Changes appear in the file “Reports (Booked).xls,” in the “B Pages (c)” and “Pivot5” tabs, and in the file “NSA Summary (Booked).pdf”.
- (2) In the file “NSA Summary (Booked).pdf”, product specific costs were

inadvertently included in the volume variable costs of the Canada Post—United States Postal Service Inbound Market Dominant Multi-Service Agreement. Those costs have been removed.

- (3) The reporting of the data within the ICRA and the NSA summary reports has been corrected to include only the appropriate time intervals for four multi-lateral agreements. Agreement amounts for Hong Kong, Canada, China, and Australia have been revised. Mechanically, the above changes were implemented in USPS-FY12-NP2 by separating quarterly amounts of the relevant NSA data in three files: “Inbound Calcs.xls,” “Reports.xls” and “Reports (Booked).xls.” Finally, an adjustment to the Singapore bilateral was made to exclude all but ePackets from the NSA amounts. The reporting of NSA amounts in the following four files was then adjusted based on these revisions: “NSA Summary (Imputed).xls,” “NSA Summary (Booked).xls,” “Reports.xls,” and “Reports (Booked).xls.” Revisions to the affected PDF reports were also made.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:
